Subcategory	Anchor straps for tree care

Strap for EJECT

This strap is specially designed for the EJECT adjustable friction saver. It can be used to replace the original strap, or for linking two straps to lengthen the friction saver and enable work on larger-diameter trees. It is available in two lengths: 150 and 250 cm.

Short Description Strap for EJECT adjustable friction saver

Selling Points

- Specifically for use with the EJECT adjustable friction saver
- Can be used to replace the original strap
- Can be linked to another strap, to lengthen the friction saver and enable work on larger-diameter trees
- Yellow strap for good visibility in the tree
